**APPROVED FOR  
PUBLIC  
RELEASE**

**R2C INC.**

**CAPABILITIES BRIEFING**

August 2021

***SERVICE-DISABLED VETERAN OWNED***

## R2C INC. AN SDVOSB DEDICATED TO SUCESS

Named Top 25  
Innovative  
Companies to  
watch in 2021

- Established in August of 2011
- Certified **Service-Disabled** Veteran Owned Small Business
- **AS 9100 Rev D** and ISO 9001:2015 Certified
- DCAA Approved **Accounting System**
- R2C has an **Active Facility Clearance** with the Department of Defense
- Nunn-Perry Award Winner - 2020
- American Business Awards (ABA) Veteran Company of the year – 2019 & 2021
- Inc Magazine Best Places to Work – 2018, 2019, 2020
- Awarded Best n Electronic Equipment Repair – 2015, 2016, 2017, 2018, 2019, 2020, 2021
- Named to 5000 fastest-growing private companies in America – 2017, 2018, 2019, 2020, 2021
- Global Smart Leaders – 20 Most Innovative Companies of 2020

**SAVED US GOVERNMENT OVER \$127M IN LAST 3 YEARS**

# R2C INC. STRUCTURE

# R2C SUPPORT SERVICES

## Aircraft (A/C) Services

- O, I, and D-Level maintenance
- Life cycle cost reduction solutions
- Aviation Systems Support
- Component Repair and Overhaul
- Depot Services and Modifications
- Supply Chain Management

## Kitting & SCM Solutions

- Warehousing
- RFID Solutions & Inventory Control
- Packaging (MIL-STD-2073-1D "A")
- Shipping

## Ground Systems RESET & REBUILD

- Shelter Design and Manufacturing
- Undercarriage repair
- Sanding Painting and Coating
- Software integration
- Technology Refreshment

## Sustainment

- Component level Circuit Board Repair
- Missile Radar Repair
- Aerial Mapping Camera Repair
- MILES Training Device Upgrades
- Military and Commercial Technical Order & Manuals
- Time Compliance Technical Manuals (TCTO)
- Technical Directives (TD)
- Modification Work Orders (MWO)
- Air Worthiness Release (AWR) Directives
- Instructions for continuing Air Worthiness
- Service Bulletins
- Maintenance Planning Documentation
- Provisioning Technical Documentation (RPSTL)
- Logistics Management Information (LMI) Summaries/Database
- Support Equipment Recommendation Data (SERD)
- Technical Training Coursework
- Training and Training Support

# R2C TECHNICAL SOLUTIONS

## Program Management

- Program Management Plan (PMP)
- Integrated Master Schedule (IMP)
- Work Breakdown Structure (WBS)
- Risk Management
- Cost Modeling & Estimation
- Cost Avoidance Analysis

## Systems Engineering

- MIL-STD-499B Compliant
- ISO/IEC 15288 Compliant
- SEP IAW MIL-STD-3022
- TEMP IAW DOT&E Guidebook
- CM System IAW ISO 10007

## Computer Information Science

- Programming
- Object Oriented Programming
- Software design

## Modeling

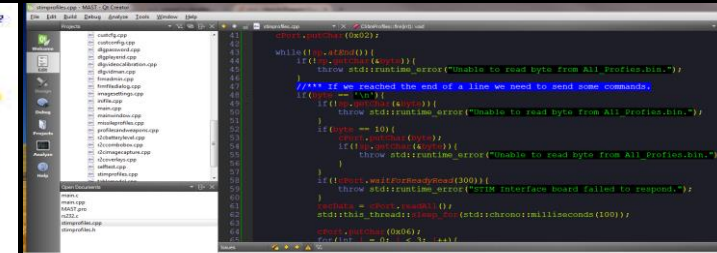

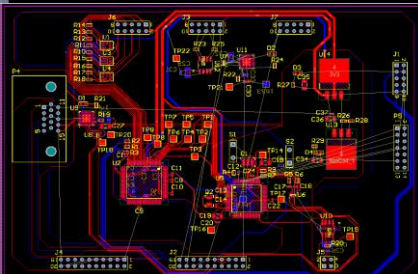

- SolidWorks® 3D Modeling
- Simulations and animations
- Finite Element Models (FEM)

## ILS & System Analysis Support

- RAMS & Testability analysis
- FMECA / LORA / Worst Case Analysis
- Safety Assessment/Hazardous Material
- Finite Element Analysis (FEA)
- Thermal / EMC / Environmental
- DMSMS Analysis
- TM & MWO Development

## Training

- System Integration
- Live Training Analysis
- Training Domain SME
- Training Device
- LVC-IA Support (TADSS)

# R2C AEROSPACE

## Design Engineering

- Structural / Mechanical
- Digital & Analog Designs
- Electrical Harnesses
- Hydraulic Systems
- Reverse Engineering

## Rapid Prototyping / Re-Engineering

- Requirements definition
- 3D Printing & Modeling
- Prototype Fabrication
- Mil Spec Cable Development & Fab
- PCB layout and design
- Obsolescence Resolution

## Electrical Fabrication Services

- Build to Print and Custom Electrical Harness Manufacturing
- Complex control and junction box assemblies
- Braiding (EMI Shielding, protective covering)
- Cable Jacketing, Potting, & Electrical Component Assemblies
- Soldering IAW IPC J-STD-001
- LASER and Ink Jet Wire marking

## Mechanical Fabrication Services

- 5 Axis CNC Milling and Turning
- Onboard Measurement
- Computerized Measurement Machine (CMM)
- CNC Punching & Bending
- Certified Welding
- Hardware Installation & Assembly
- Painting & Plating
- CMM Inspection Capabilities

## Test & Measurement Equipment

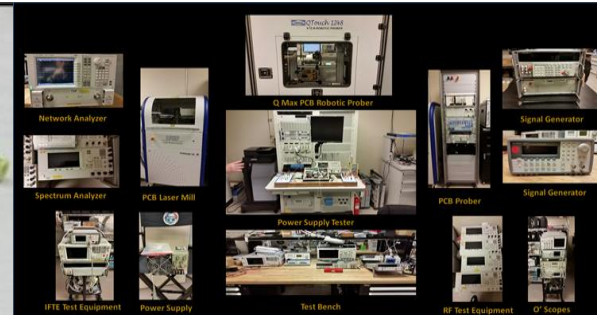

- Optical Comparator
- Computerized Air Ride Height Gauge
- Integrated Onboard Measurement & CMM
- RF Test Equipment
- QMAXX Flying Probe
- Spectrum Analyzer
- Network Analyzer
- Power Supply
- Power Supply Testers

#1 best in business award™ RECIPIENT

EXCELLENCE IN BUSINESS

Integrity  
Quality  
Trust

# CONTRACT VEHICLES

## PRIME

- GSA Professional Services Schedule (PSS)
- SeaPort-NxG
- Prototype Integration Facility (PIF) BPA
- SED CITES BPA
- Multiple OTA Consortium
- SED ITECS BPA

## TEAMMATE / Potential Direct Awards

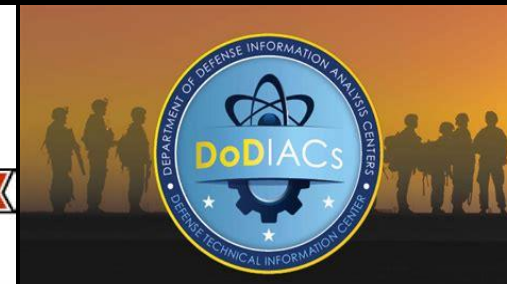

- AMCOM EXPRESS Technical
- AMCOM EXPRESS Programmatic
- AMCOM EXPRESS Programmatic

## PENDING

- Contractor Field Teams (CFT)
- Strategic Engineering Services WRAB

## SUBCONTRACT SUPPORT

- Field Maintenance Division (FMD)
- Contractor Field Teams (CFT)
- Defense Technical Information Center (DTIC)
  - IAC - MAC
- AMCOM EXPRESS – Technical, Programmatic, & Logistics Domains
- Responsive Strategic Sourcing for Services (RS3)
- Contracted Maintenance, Modification, Aircrew and Related Services (CMMRS)
- Special Operations Forces Personnel Recovery (SOF-PR)
- Test & Evaluation Technologies for Ranges, Armements & Spectrum (TETRAS)
- Logistics Support Facility Management Activity (LSF)
- GSA ALLIANT – Megatron II
